SAFETY IN SIDEWALKS

SIGN TO SUPPORT

To the Jefferson County Board of County Commissioners:

Students at Drake Middle School lack a safe, legal west route to reach school on foot or by bike. We, the undersigned, respectfully request that the County:

1. Establish a 1,000-foot school zone on W. 52nd Ave and Xenon St around Drake Middle School.
2. Install proper school zone signage at that location.
3. Fund and complete design of a sidewalk on W. 52nd Ave in 2026, with construction to follow.
4. Provide, immediately, an interim safe and legal route for Drake students until the sidewalk is built.
